**CUES Popular Board Liaison Workshop Returns In-Person**

MADISON, Wis.— CUES is pleased to announce the return of its popular Board Liaison Workshop, happening in conjunction with Directors Conference, December 8-11, in Nashville, TN.

Workshop registrants will experience the best of both worlds—attending Directors Conference general sessions, and learning from programming created exclusively for the board liaison role. Topics include:

- Key Responsibilities
- Board Success through Assessments
- Board Succession Planning
- Fostering Strong Relationship with the Board
- Managing Boardroom Dynamics
- Governance vs. Management

“We’re excited about the return of Board Liaison Workshop. This year’s event is special, as it allows governance professionals to join their board members at Directors Conference. This is a great way to foster team building—plus, Nashville is a convenient, fun, and budget-friendly destination,” said Dawn Abely, CUES SVP/Chief Sales & Member Relations Officer.

“This also gives board liaisons a place to meet colleagues and nurture relationships—peers they can turn to long after the event is over to exchange thoughts and ideas with,” added Abely.
